Overview :

- Growing Healthy Chapters continues CMA's Advanced Ministry Training series began in 2009.
- Growing Healthy Chapters builds upon the evangelism principles presented in previous AMT trainings, but specifically focuses on practical training for growing and maintaining CMA local chapters.
- The Growing Healthy Chapters study will feature three brief video segments, supplemented by teaching from the region's National Evangelist, and a companion workbook.
- Participants in Growing Healthy Chapters will receive a workbook and, upon completion of the course, a 2012 AMT – Growing Healthy Chapters patch.
- CMA Youth Movement will provide a version of Growing Healthy Chapters (titled Better Together) for students (ages 12-17) who have completed their CMA Youth Movement Ministry Team and provide an opportunity, for those who have not, to complete the Youth Movement Ministry Team at the event.

OBJECTIVE:

The 2012 Seasons of Refreshing focuses on providing inspirational and practical training for local CMA chapters. In addition to practical easy to implement ideas for chapter growth, in this training members will also learn these key points:

- CMA chapters fulfill the most important role in the worldwide outreach of the ministry of CMA.
- A Healthy CMA chapter is balanced in its practices and approach to ministry.
- A Healthy CMA chapter is dependent on the Holy Spirit, organized by a team of humble leaders, and successful in ministry through the sacrificial efforts of plugged in members.
- A Healthy CMA chapter is growing and active in ministry.

“The more you grow like this, the more productive and useful you will be in your knowledge of our Lord Jesus Christ” (2 Peter 1:8, NLT).
